

RATtrap Welcome Guide

- 1 Disconnect the network cable between your broadband modem and your internet router.

- 2 Connect RATtrap to your broadband modem using the network cable.

- 3 Connect RATtrap to your internet router using the supplied network cable.

- 4 Before plugging in the power adapter to the wall outlet, insert the power cord into the power socket of RATtrap.

- 5 Plug in the power adapter to a wall power outlet.
And that's it - your home is now protected by RATtrap.
